" Both are situated on two private acres, with over 450 feet of beachfront. There are panoramic views of the ocean from both the house and cottage. The property is very private, offering incredible tranquility and peacefulness. It is quiet and rejuvenating. There is a reef off shore, which protects the shoreline waters, providing safe swimming and snorkeling year-round. We are also one of the few properties in our area which is set far from the road, affording maximum quiet and privacy. We are over 500 feet from the road. Our house has been designed with the aesthetic at heart and an attention to detail. It has high ceilings, wood floors, charming colors, a complete kitchen with beautiful cherry and maple cabinets and granite counter tops, and two full baths with marble counter tops. The house is fully and elegantly furnished with beautiful leather furniture, a wood dining table, and many one-of-kind pieces. There is beautiful artwork. The cottage also has high ceilings, wood floors, charming colors, a complete kitchen, and full bath. Location

Location & Access

" We are located on the lush east end of Molokai, which is thought by many to be the most beautiful area of Molokai. Molokai is a rural island. It is like traveling back in time to the Hawaii of days gone by. There are only about 7000 people on the island. "
