## Gîte - Self Catering

Gîte - Self Catering - Typical House, detached, 1 floor, separate entrance, in(on) a(an) Private property

- **Ideal for family groups, all age groups**

- **View** : not overlooked, mountain, country side, village

- **Setting** : tranquil, rural

" The Castagniccia offers calm, its greenery, its freshness. For rest and walks, shadow and water are everywhere. Austere and beautiful, it treats the curious to many discoveries. Sometimes spectacular buildings, is in harmony with the sober and modest utility constructions such as Mills, ovens and fountains that reflected a lot of artisanal and agricultural activity. Indeed, the Castagniccia was long the most populous region of the island, reaching even the most densely rural in Europe in the 19th century. In its villages, you can admire some rare jewels of baroque architecture, and then at the bend of many country paths that criss-cross the territory, you will discover small chapels Romanesque (11th and 12th century) that dot the countryside . "
