Location

Location & Access

" For all: after the hamlet of Colombiera with his tobacconist's and his gas station, always in the direction of Castelnuovo, attention still left the Panel Via Montefrancio, continue uphill on a road on about 1 Km and then left signs for the parking of the farm. Passing through the village of the Colombiera, you'll be more linear and the easier route. (from the motorway, we are approximately 7 Km) "
