" Geographically we are located between the three valleys of Béarn: (BARÉTOUS ASPE and OSSAU). Some sites to visit: first of all our resort 30 minutes from the cottage. The VERNA room located in the Gulf of LA PIERRE st MARTIN (accessible to any public) this chasm is one of the deepest in the world. ANIMAL PARK of BORCE with its BEARS of the Pyrenees. The Fort of the Pourtalet, remarkable must-see site. The Basque country and Spain are also within walking distance from us. All the shops are 5 minutes from the cottage. During your mountain hikes you will have the pleasure of meeting on migration the herds of horses, cows and sheep guarded by shepherds and Labrits, border collie dogs and of course the guard. The shepherds will show you the production of cheese and the greuil. In September we're the party of the shepherds to Blackburn next village. You can participate in the descent of the herds, see sheep shearing, listen to the bells and of course the Béarn songs! That's what start from our Valley smile on the face and why not go for a next stay! "
