The beaches within the village are a short drive away but from Cala Fuili onwards you will find only nature .... And in order to reach the famous coves until Goloritzé, you can do it by sea from the port or through long walks immersed in unspoilt nature completely: for miles sea colors and scents of the Mediterranean maquis are the real stars! But the privilege of living in Dorgali is making it very easy to move towards the North Coast and reach the beaches up to the splendid oasis of Bidderosa. All around the wilds of Supramonte with caves, Gorges among the highest in Europe as millenarian forests Gorropu, archaeological sites and much more ... "
