" Real house type private bungalow with views over the sea. You will find in this housing modern comforts which combines a typical and careful decoration. Large openings guarantee a natural circulation and a brightness in each of the parts of the housing. The kitchen (separate from the rest area) to feel oneself and offer the traveler a sense of freedom. The private garden (whose soil is turf) welcomes a thirty-year tree and ornamental tropical plants. The well-kept garden is shaded. The bathroom is independent of the sleeping area and constitutes an independent piece with a dressing room to accommodate your summer clothes. A washing machine (clean housing) is also available on-site. The House (bungalow type) is suitable for 1 couple or for 3 people. It is inadvisable for the couple who wants an independent room if you're 3 people."
