Culture

" In spring, summer, autumn and even in winter, every season is good to visit the art cities in Veneto, treasure chests that safeguard valuable historical and artistic testimonies. Venice, Verona and Vicenza, the city included in the Unesco list of world heritage sites; Padua with its elegant city centre; Treviso, urbs picta refined but without glitz; Rovigo with his bashful character but of class; Belluno, the gateway to the magical world of the Dolomites. But there is a lesser known fact that Venetian medieval villages, walled towns, places of spirituality, historical centres and archaeological sites, the list would be very long indeed ... because scattered on the territory lie hundreds of treasures made also of culture, traditions and typical products that are just waiting to be discovered! "
